

DATA PROTECTION AND PRIVACY POLICY

Company: [Company Name]
Effective Date: [Effective Date]

PURPOSE

This policy describes how the Company protects personal and business data in compliance with applicable data protection laws.

POLICY

- Personal data is collected, used, and stored only for legitimate business purposes.
- Access to personal and sensitive data is restricted to employees who need it to perform their role.
- Data must be stored securely and disposed of properly when no longer needed.
- Any suspected data breach must be reported to IT/Security immediately.

EMPLOYEE AND CUSTOMER RIGHTS

Employees and customers may have rights regarding their personal data (such as access or correction) under applicable law. Requests should be directed to the designated data protection contact.

Acknowledgement: By continuing employment, employees acknowledge that they have read, understood, and agree to comply with this policy.

PASSWORD AND INFORMATION SECURITY POLICY

Company: [Company Name]
Effective Date: [Effective Date]

PURPOSE

This policy sets minimum security standards to protect Company systems and information from unauthorized access.

POLICY

- Use strong, unique passwords for all Company accounts and enable multi-factor authentication where available.
- Never share passwords or login credentials with anyone, including coworkers.
- Lock your workstation whenever it is unattended.
- Report lost or stolen devices, or suspected security incidents, to IT immediately.

COMPLIANCE

Failure to follow information security requirements may result in disciplinary action, particularly where it leads to a security incident.

Acknowledgement: By continuing employment, employees acknowledge that they have read, understood, and agree to comply with this policy.
